Schedule B1

Natural Heritage System Natural Environment Designation

Legend

- Local Roads
- County Roads
- Provincial Highway
- Railway
- Essex County Municipalities
- Settlement Areas
- Lot Fabric
- Significant Terrestrial Features
- Provincially Significant Wetlands

Note*
The current mapping does not differentiate between those features which are related to components of Table 3. Specifically, existing natural features identified as Significant Terrestrial Features may represent multiple Significant Natural Heritage Features as indicated in Table 3, i.e., Significant habitat of Endangered Species or Threatened Species, lands designated in local Official Plans for natural heritage protection, other high priority existing natural features, fish habitat, significant woodlands, Areas of Natural and Scientific Interest, Significant Wildlife Habitat, or Significant Valleylands.
